Personal Identity Card - 2015 Specimen

An identity card is a document which confirms a person's identity, Polish citizenship and which allows Polish citizens to cross the borders of member states of the European Union, member states of the European Economic Area which are not members of the EU, and countries which are not parties to the Agreement on the European Economic Area, the citizens of which enjoy the freedom of movement of people pursuant to the agreements these countries concluded with the European Community and its Member States, which consider this document to be sufficient to cross their borders.
